Please Note:

Wildflowers Childcare spaces require a monthly commitment. This means that, although we are now an Early Learning and Childcare Centre offering \$25/day childcare, your space is charged monthly. So, even if your child is away during the month, you are still charged for the space, same as before.

*These fees are based on Wildflowers Childcare being awarded status as an ELCC centre with funding from the provincial government. This funding ends March 31, 2018 but could be renewed.

Effective May 1, 2017 - Wildflowers will no longer offer a discount for additional children or a pro-rated five-day vacation once per year.

*You may qualify for funding from the Alberta Government. It's called **Alberta Childcare Subsidy** and you can apply online at <http://humanservices.alberta.ca/financialsupport/15104.html>. If you already receive subsidy, direct inquiries to the Alberta Government at: 1-877-644-9992. If you would like assistance applying for subsidy, an Outreach Worker at Community Outreach 780-852-2100.
