Selection

How are the projects chosen?

Make sure your application is complete and submitted on time. We will review and evaluate the answers to each question. We will consider these things as we review your application:

- Have you answered the question?
- Is your project eligible and in line with funding priorities?
- Is the amount of money you ask for within the budget?
- Have you have shown your ability to implement the project?
- Are there any barriers to the community accessing your project?

Senior Leadership Team will compile a final list of qualifying applicants. That list will be presented to Council and they will select which applicants receive what amount of funding in a public Committee of the Whole Meeting. All applicants will be notified of the date and time of the meeting so that they can watch on-line (but it is not required to attend/watch).

Selected Applicants

We will enter into negotiations with the successful applicants and enter into a contract once agreements are made. Funds will be issued as a one-time payment once a contract is signed.
