PLACE TO  
LIVE IN  
JASPER?

## WATCH THE BUY & SELL

Many local residents also rent out suites in their homes. Watch for bedrooms and homes for rent on the Jasper AB Buy, Sell and Trade Facebook page. Word-of-mouth is also a common way for people to find homes in Jasper. Let people know you're looking and they'll keep an ear to the ground for you.

## KNOW YOUR RIGHTS

It can be difficult in Jasper to find a place to live. Some of the local businesses supply staff accommodation, but they are not required to do so. When on the job hunt, make sure to ask if the business has housing.

Rental accommodation (including staff accommodation) is regulated by the provincial Residential Tenancies Act. This act protects your rights as a tenant as well as the rights of the landlord.

It's best if all tenancy agreements be in writing and that both the landlord and the tenant complete a written inspection report within seven days of moving in and out.

## OTHER PLACES TO LOOK

- Make a poster and post it on the boards around town and on the Buy & Sell.

- **IN A PINCH:** The Downtown Hostel and Hi Hostel can provide shelter for a few days.
